What Works Approval application are you making a submission for?

- WA102975 - Construction of a new commercial office building, - WA102646 – Construction of a mixed-use residential development

- WA102975 - Construction of a new commercial office building

I believe the height of all building in the development is too high to fit into surrounding area
It should fit into surrounding and nearby buildings height -not to be above 6 levels

- WA102646 – Construction of a mixed-use residential development

The height of all buildings in the complex should not to exceed surrounding and neighbouring buildings height for multiple reasons -maximum of 5-6 levels

I have read and understood the submission terms and conditions above.
