

STAY RIGHT

Keep to the right hand side of your course

Stay close to the shoreline

LOOK OUT

Keep a good look out
Take care when entering or crossing busy areas
Look out for submerged trees and snags

KEEP CLEAR

Cross behind, not in front
Remember wash can capsize small craft

LIFE JACKETS

Wear an approved life jacket at all times
Adjust your speed with changing conditions

LIFE BUOYS

Life buoys are located in swimming areas and as indicated below

VISIBILITY

A torch is the minimum requirement for small craft – a white light should be visible in every direction

Do not operate any watercraft when under the influence of drugs or alcohol

STAY SAFE

ON THE LAKE

Check the Lake status on the Swim Guide app
