

MAKE YOUR OWN

Sailing Boat

This activity involves cutting. Ask an adult for help.

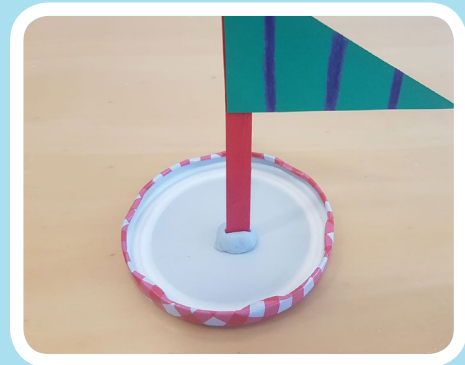

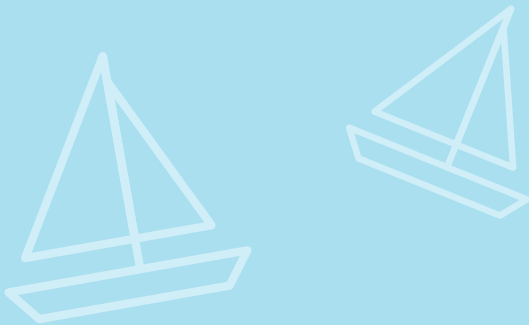

Materials

- A lid from a jar
- A paddle pop stick
- Coloured cardboard
- Blu Tack
- Scissors
- Coloured pencils or crayons

Instructions

- 1 Make sure the lid has been washed if it has just come off the jar.
- 2 Ask an adult to cut a triangle shape out of the cardboard. Decorate the cardboard.
- 3 Stick the triangle to the top of the paddle pop using Blu Tack to make a flag.
- 4 Turn the lid upside down and put a blob of Blu Tack in the middle.
- 5 Place the end of the paddle pop stick in the Blu Tack so it stands upright.
- 6 See if your boat floats in a bucket of water. Try taking your sailing boat outside on a windy day and test how well it sails.

Don't forget to upload some photos to social media and #NCEcraft
