

## SONGSHEET

# Bogong Moth Songs

Bogong Moth Mobile at National Capital Exhibition

### **Tune:** The Ants Go Marching

The bogong moths go flying by, hurrah, hurrah!  
The bogong moths go flying by, hurrah, hurrah!  
The bogong moths go flying by  
They look so graceful in the sky  
They all go flying, down to escape the heat

The bogong moths go flying past, hurrah, hurrah!  
The bogong moths go flying past, hurrah, hurrah!  
The bogong moths go flying past  
The lights attract them to the glass  
They all go flying, down to escape the heat

**Tune:** She'll Be Coming Round the Mountain

The moths are flying to the mountains when they come  
The moths are flying to the mountains when they come  
They are flying to the mountains  
Flying to the mountains  
Flying to the mountains when they come

They might visit us at home when they come  
They might visit us at home when they come  
They might visit us at home  
Visit us at home  
Visit us at home when they come

They are big and brown and fuzzy when they come  
They are big and brown and fuzzy when they come  
They are big and brown and fuzzy  
Big and brown and fuzzy  
Big and brown and fuzzy when they come
