# Canberra's Trees

Trees in Commonwealth Park

**Tune:** I'm a Little Teapot

I'm a little gum tree, short and small.  
Here are my branches, growing up tall.  
When the sun is shining, up I go.  
Pour some water, watch me grow.

**Tune:** Three Blind Mice

Green green trees, green green trees.  
See how they grow, see how they grow.  
The roots, the trunk, the branches too.  
The twigs, the leaves, the flowers bloom.  
Green green trees, green green trees.
