# Lake Burley Griffin's Bridges

Commonwealth Avenue Bridge

Photo by Martin Ollman

### Tune: Build It Up

Build it up  
Build it up  
Build it higher  
Build it up, up, up into the sky

Build it long  
Build it long  
Build it longer  
Build it long, long, long across the lake

Now if you get that construction feeling  
You can build your bridge right to the ceiling  
And if you find that building is fun  
You can build your bridge right to the sun
