

SONGS

The Roses of Old Parliament House Gardens

Tune: Frere Jacques

Planting roses, planting roses
In the ground, in the ground
Sun and water make them grow, sun and water make them grow
All around, all around

Tune: I'm a Little Teapot

I'm a little garden
Flowers in a row
Pour some water
Watch them grow
When the sun is shining
Up they go
Rain drops on the petals seem to glow
