

SONG

Swans of Lake Burley Griffin

Tune: Hokey Pokey

You put your right wing in
You put your right wing out
You put your right wing in
And you shake it all about
You do the swan pokey and you turn yourself around
That's what it's all about

You put your left wing in
You put your left wing out
You put your left wing in
And you shake it all about
You do the swan pokey and you turn yourself around
That's what it's all about

You put your tail feathers in
You put your tail feathers out
You put your tail feathers in
And you shake them all about
You do the swan pokey and you turn yourself around
That's what it's all about

You put the whole bird in
You put the whole bird out
You put the whole bird in
And you shake it all about
You do the swan pokey and you turn yourself around
