AMENDMENT 46 OF THE NATIONAL CAPITAL PLAN

The National Capital Plan is amended by:

Altering **Figure 24 The Inner Hills** by:

- (a) Deleting the heavy black line representing the boundary of The Inner Hills Designated Area where it adjoins the Caswell Drive Road Reserve as it passes the suburb of Aranda;
- (b) Redefining this heavy black line boundary to the east by a variable distance (approximately 35 metres with some points of between 65 – 90 metres to accommodate on-ramps), which will represent the new boundary of The Inner Hills Designated Area including Black Mountain Nature Reserve.

The effect of these changes is shown in the attached figure.
