Malcolm

Below is the Heritage Unit's response to my enquiry re. Block 13 Section 9 Barton. I can provide a brief letter if you prefer. There is no charge.

It is OK for Project Managers and Planners to contact the Unit directly for quick, free advice on such matters. That is one of the Unit's many roles.

They appreciate Capital Planners' awareness of heritage issues.

Kind regards

Hi Trish,

As you suspected, there are no heritage issues in regard to the development of Block 13 Section 9 Barton. It is not heritage listed and the Unit has not received any nominations for this block. There are no Aboriginal sites recorded in this area.

Cheers,
Sam
