

At Blundells Cottage...

A postcard from Blundells Cottage

Paste the shapes together and draw a picture of you visiting Blundells Cottage. Describe what you are doing on the other side.

Change

Some things are the same all the time – we eat food, our parents work, we wear clothing and we play. Some things are different between William and Henry’s time, Brian and Wendy’s time and our time.

Draw pictures in each space of things that have changed and write their names.
